## ABOUT ME

A passionate and skilled Frontend Website Developer with a solid foundation in HTML, CSS, and JavaScript. My experience in web development is complemented by my creative flair in graphic design, allowing me to craft visually appealing and user-friendly interfaces. I take pride in translating ideas into functional and aesthetically pleasing websites. My commitment to continuous learning and innovation drives me to stay updated with the latest industry trends and technologies.

## EXPERIENCE

### My creative skills & experiences.

My creative skills & experiences. I bring a unique blend of technical expertise and artistic vision, combining my frontend development skills with a strong background in graphic design to create engaging, intuitive, and visually stunning digital experiences.
